Document: Customer Feedback

Summarized Customer Feedback From Feb 9, 2024 Check-Ins

- Customers' main focus is on research papers and connecting with others with similar research interests
- A payment page is not needed.
- Bilingual support only => English, French
- Customers only need a comment function on the community page. They are not focusing on self-promotion.
- Customer's focus more on collaboration rather than community
- No specific theme for the website such as color or logo.
- Check all your spelling in your content
- It would be good to include the logo in the presentation.
